- * Please note if any of the deer or turkey listed above is your first bow harvest as a member of the St Louis Bow Hunters by circling that entry.
- * Everyone that harvests their first deer or turkey as a club member, will receive a personalized plaque that will be given out at the club banquet.
- * Only Deer or Turkey taken via bow and arrow in Missouri or Illinois are eligible for the harvest award.
- * All club members that complete this form will have their harvest recorded on a plaque that will be hung at the Indoor Range. We encourage every club member that harvests a deer or turkey with a bow to fill out the form so that your success is recorded on the plaque.
